

KICK IT TOUCH ROUND UP

12-11-08

The Aspley RLFC Kick-It Touch Comp started today at the Aspley High fields.

The u9's kicked things off at 4.15pm. Despite fewer than anticipated numbers the kids had a game and had an absolute ball. They displayed great skills and sportsmanship. It took them a while to get the idea of being able to use the kick, but soon learned the value. After a hard fought game the red team scored a late try to get over the top of the blues with a 2-1 scoreline.

The U14 comp started at 5.15pm. This saw 4 teams competing. With a few who forgot about the start date/time to come back we will see 4 full strength teams next week. Once again the players had a great time and displayed good skills. A few found their fitness down since the end of the league season, but will no doubt now be ready come February!

The 1st round of the open comp started at 6.15pm with the second start time of 7.15pm. There are 10 teams in total competing in this comp. This is a slightly more competitive comp and the speed of some games was devastating. Some brilliant tries were scored, some tight defense employed and some great attacking skills shown. Compliments to the first round winners – The Beached Boys, Old Yella, Development Squad, Aint All That and Darcy Blue.

All results and some video footage as well as next weeks draw can be found at www.kickitaspley.com.au. Good luck to all teams next week!
