<b>General Note on Kicking</b>	The International Law that applies to 40/20 kicks does not apply to the modified game.
<b>General Note on Scrums</b>	Scrums are to be completely de-powered and form up to satisfy the following instructions: Form - Engage - Hold.
<b>Ball Emerging from Scrum</b>	In 7 - 11 years, to avoid a changeover there must be one pass if the onside player runs and does not score. In 12 years the onside player can run from the base of the scrum without risking a changeover.
<b>Second Conversion</b>	Refer to Safeplay Code page 7 - Advantage Play and the Code Item 3. When a try has been scored in the same play in which the act of misconduct occurred or in the immediate play thereafter, the penalty kick awarded for the offence will be deemed a 'second conversion' (place or drop kick).
<b>Stripping of the Ball</b>	At any tackle, there is to be <u>NO</u> stripping or stealing of the ball.
<b>Held-Up In-Goal</b>	When an attacking player is held-up in his opponent's in-goal area and is unable to ground the ball, play will be restarted by the player in possession playing the ball 10 metres out from the goal line directly opposite the point where he was held-up. The tackle count will then continue in the normal manner (ie. if a player is held-up on tackle 3, play will resume with a play-the-ball 10 metres from the goal line and the following tackle will be tackle 4). Please note that if a player in possession is held-up on the sixth tackle, there is no change to the existing rule.
