- Encourage children to participate, do not force them.
- Focus on the child's efforts and performance, rather than winning or losing.
- Encourage children to always participate according to the rules.
- Never ridicule or yell at a child for making a mistake or losing a game.
- Remember that children learn best by example. Applaud good performance by all participants.
- Support all efforts to remove verbal and physical abuse from rugby league.
- Help out with routine tasks such as: LeagueSafe, Touch Judge, Duty Official, Canteen etc
- Show appreciation of Volunteer Coaches, Officials and Administrators. Without them your child could not participate.

Action will be taken by Aspley RLFC Disciplinary Tribunal against anyone who is found to be in breach of the codes of behaviour. Please note that signing of the QRL Registration form implies understanding of and agreement to the QRL and club's codes of conduct.

Disciplinary action will be administered in a three-phase education process designed to assist members with defining their role in junior rugby league. The three phases dealing with breaches are designed to provide ample opportunity for correcting undesirable behaviour in a continual education process.

Stage 1 – Club to Counsel Offender

- Treat all participants in junior rugby league as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, team mates and opponents. Without them there would be no competition.

Coaching and Player Structure

Aspley RLFC have put a coaching structure in place so players from under 11's to under 18's will have, as we feel, coaches best suited to their age and development.

All coaching is to be based on the six major skill areas:

1. Catch and pass
2. Defence
3. Evasion
4. Play the Ball
5. Kicking
6. Scrummaging

Whilst everyone loves to win, the main focus at Aspley RLFC is to have fun whilst becoming better Rugby League players. The philosophy at Aspley is that winning is a result of following the processes that create the skills, and we can have fun whilst doing this.

Outlined below are the different stages in the development of a players skills and how Aspley's coaching philosophy fits in with the QRL rules

Under 6 Mini League

Rules: Played on a mini field using a mini football. Players play for 3 x 10min periods with 3min breaks, 8 Players on the field at once. Defending teams are to retire 5m and cannot move until the first receiver has caught the ball. 1 Pass only required, but encouraged to do more. There is no kicking in general play.

Aspley Goal: Fun and participation. For every player to have a basic understanding of the rules as well as having a basic understanding of passing/catching, carrying/playing the ball and tackling technique.

Under 7 – 8 Mini League

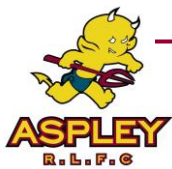

Rules: Played on a mini field using a mini football. Players play for 4 x 10min quarters with a 2min break at quarter time and a 5 min break at half time, 8 Players on the field at once. Defending teams are to retire 5m and cannot move until the first receiver has caught the ball. The attacking team must have 2 passes each play. There is no kicking in general play.

Aspley Goal: For every player to have a basic understanding of the rules as well as having a good understanding of passing/catching, carrying/playing the ball and tackling technique by the completion of U8.

Under 9 & 10 Mid League

Rules: Played on a mid-sized field. The game is played over 2 x 20 minute halves with a 5 minute half time break. U9 plays with a mini ball and U10 with a mod ball. There are now 11 players on the field. One player is now present at the play the ball. Kicks are now allowed but the kick must travel further than it goes high. Scrums will only be held if there is an infringement by both teams. Scrums are to be packed by 5 players.

Aspley Goal: For every player to have a thorough understanding of the mid league rules. Every player should see a good progression of the basic fundamental skills from mini league.

Under 11 & 12 Mod League

Rules: Played on an international size field. U12 plays for 2 x 25min halves, whilst U11 still play 2 x 20 minute halves. Scrums are now packed with 6 players, all other rules as per mid football.

Aspley Goals: To keep progression of basic skills flowing and to start introducing some more advanced skills such as draw and pass, to prepare the players for international rules.

Under 13 + International Rules

Rules: The only difference between what the players play and what you see on T.V is the safe play code.

Aspley goals: To fine tune the basic skills and progress the development of advanced skills, to fully prepare the player for senior football at the completion of U18's.
